Djanogly
City Academy Sixth Form

Welcome to the Djanogly Sixth Form

In this booklet you will find all of the relevant information about our Pathway programmes on offer at Djanogly City Academy Sixth Form.

We are proud of our Pathway offerings which have been designed and curated to support students fulfil their vision at our Sixth Form. You will find over 40 different Pathways ranging from Medicine to Law to Accountancy, and we are constantly developing these in light of professional changes linked to the particular Pathway field.

You will therefore find that each Pathway contains practical steps and guidance that students will receive on their journey through Year 12 into Year 13, ensuring that they have a rich experience as a student with us and that they are able to fulfil their personal development ambitions.

- Join the student 'Wellbeing Ambassadors Programme'
- Join the Sixth Form 'Medical Society'

Pathway to...

OXBRIDGE (OXFORD & CAMBRIDGE UNIVERSITY)

ENTRY REQUIREMENTS

Oxford and Cambridge universities both emphasise that they seek to attract the best and brightest applicants regardless of background and have rigorous and fair application procedures designed to let the best candidates shine. They tend to run traditional academic courses with an emphasis on small-group tuition, and assessment is more often based 100% on examinations. You can't apply to both Oxford and Cambridge in the same year, so you'll have to choose one or the other.
Both universities are world-renowned in both arts and science subjects, so the decision is largely an individual one.

Conditional offers for Oxford range between A*A*A and AAA (depending on the subject) at A Level. Cambridge usually requires A*A*A for most sciences courses and A*AA for arts courses.

PATHWAY PROGRAMMES

HE+	Target Oxbridge	Into University Programme	UNIQ

STAND OUT FROM THE CROWD
