Dear Parent/carer

You will remember that on the 24th and 25th of April we had a visit from a team of Ofsted inspectors. We are delighted to announce that the team agreed with our own view that we are a **GOOD** school.

This step is further recognition of the hard work of staff and students and is a welcome fillip as we enter a crucial exam season for our year 11, 12 and 13 students.

The individual grades given to the school are as follows:

Effectiveness of leadership and management, **Good**.

Quality of teaching, learning and assessment, **Good**.

Personal development, behaviour and welfare, **Good**.

Outcomes for pupils, **Good**.

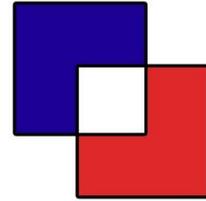

16 to 19 study programmes, **Good**.

The inspectors in particular noted that:

- Pupils achieve well and have high aspirations for the future.
- Progress was significantly above the national average and in the top 10% of all schools.
- Disadvantaged pupils, and pupils who have special educational needs (SEN) and/or disabilities made better progress than national figures across the eight key subjects studied, including English and mathematics.
- Pupils' conduct around the school and in lessons is good. They arrive to their learning promptly and are smart in their uniform.
- Teachers have high expectations. Teachers plan thoroughly and produce high-quality resources in order to enthuse pupils and stimulate their interest.
- Teaching, learning and assessment are particularly strong in English and mathematics.
- Pupils are proud of their school and wear their uniforms smartly.

- Lessons start punctually. Pupils arrive to lessons promptly, and they behave well and exhibit an enjoyment of learning.
- The proportion of pupils who leave school and are not in education, employment or training is lower than national averages. Pupils are prepared well for their future next steps.

A full copy of the report will be available on our website and on the Ofsted site at www.gov.uk/ofsted.

As a school we recognise this report as a validation of the steps we have taken so far on the road to becoming a truly great school rather than an end point and believe that the results our students will achieve in subsequent years will reflect this drive and determination.

Thank you once again for your continued support.

Sincerely

Damian Belshaw

Head of School.
