8th June 2026

Subject: Year 10 Summer Mock Examinations

Dear Parent/Carer,

We are writing to inform you about the upcoming Year 10 Summer Mock Examinations, which will take place over a two-week period from Monday 22nd June to Thursday 2nd July.

These examinations represent an important milestone in your child's academic journey, providing their first experience of sitting formal Key Stage 4 examinations under GCSE-style conditions. The results will provide a valuable indication of your child's current progress towards their Minimum Expected Grades (MEGs), while also helping to identify strengths and areas for development as they prepare for the demands of Year 11.

To support your child's preparation, a copy of the mock examination timetable is attached for your reference. On days when your child does not have a scheduled examination, they are expected to attend their normal lessons and engage fully in their learning. It is essential that all scholars maintain excellent punctuality and achieve the highest possible attendance throughout the examination period.

On selected examination days, scholars may be permitted to leave school early once they have completed their final examination of the day. Details of these arrangements are outlined on the examination timetable, although dismissal will be no earlier than 3:10pm. We will send a text message on the relevant days to confirm when early dismissal will take place. Should you have any concerns regarding your child leaving school early, please contact the main reception team, who will be happy to discuss alternative arrangements.

Your child will receive a Year 10 Mock Revision Preparation Booklet outlining ways to prepare effectively for their mock examinations. The booklet will provide advice on creating a positive study environment at home, establishing effective revision habits, accessing appropriate resources, and maintaining healthy eating and sleeping routines to support their wellbeing and academic performance.

Following the mock examination period, you will receive your child's Summer Report. This report will provide a summary of their performance across all subjects, comparing their mock examination outcomes with their Minimum Expected Grades. It will also include their first predicted GCSE grades, informed by their mock examination results and other assessments completed throughout the academic year.

The Year 10 mock examinations are an important opportunity for scholars to demonstrate their knowledge, develop their examination skills and gain valuable experience ahead of Year 11. Your support in helping your child prepare thoroughly and approach these examinations with confidence is greatly appreciated.

Should you have any questions or require any further information, please do not hesitate to contact the school.

Thank you for your continued support and partnership.

Mr White
Assistant Principal

Week 1

Morning Examinations

Monday 22/06	Tuesday 23/06	Wednesday 24/06	Thursday 25/06	Friday 26/06
English Literature 1hr45m	Combined Science (Biology) 1hr15m	History 2 hrs	Psychology 1hr45mins	Food & Hospitality 1hr40m
