13th May 2026

**Ref: Year 11 GCSE Grade Booster Intervention Sessions**

Dear Parents,

As we are now in the GSCE exam period, we would like to make sure your child has the best opportunity of reaching their full potential and so we will be offering extra revision sessions during the May half term break. The planned sessions are for subjects which have exams during the first week back; they will be run by subject teachers and are specifically designed to enhance academic performance in a particular subject. These sessions are a crucial part of our commitment to supporting the educational journey of our scholars and helping them reach their minimum expected grade. With exams having now started, it is important that scholars engage in as much revision and independent study as possible, and these sessions will provide valuable additional support.

Please see the timetable below for more detail about which subjects are offering sessions.

## May revision timetable 2026

Sessions will start at 10.00am prompt. Scholars arriving after this time are not guaranteed entry.

| Day | 10am-1pm |
|---|---|
| Tuesday 26th May | Physics (Triple group)<br>History<br>Maths<br>GCSE PE (starts at 10.30) |
| Wednesday 27th May | English |

Scholars should speak to their class teacher and sign-up to their preferred session/s by Thursday 21st May in order to secure their place.

This is an excellent opportunity for your child to undertake focussed intervention as they continue to prepare for their GCSE examinations, and we look forward to seeing them.

Kind regards

Mrs Heath
Vice Principal

Mr White
Assistant Principal

Mr Arnold
Year 11 Achievement Lead
