Dear Parents and Carers,

We are writing to inform you of a forthcoming change to the price of school meals. Due to rising costs in food supplies and catering services, the cost of a school dinner will increase from £2.20 to £2.50.

We would like to highlight that the current price of £2.20 has remained unchanged since 2019. Despite increasing costs over recent years, we have worked hard to keep prices stable for as long as possible.

We understand that any increase in costs can be challenging, and we want to assure you that we remain committed to providing high-quality, nutritious meals for all our scholars. This adjustment will allow us to continue to maintain the standard and variety of meals we offer each day.

If your child is eligible for free school meals, this change will not affect you.
If you believe you may be eligible and would like more information, please do not hesitate to contact the school office.

This change will take effect from the start of the new term following the Easter break, so from Monday 13th April 2026.

Thank you for your understanding and continued support.

Yours sincerely,

Business Manager
