Principal ~ Mr Andy Smith

Dear Parent/Carer,

We are pleased to invite you to our Year 11 Parents' Evening on **Tuesday 2nd December 2025**, which will take place at our Sherwood Rise Campus between **4:00pm** and **7:00pm**.

This event marks an important milestone in your child's educational journey and provides a valuable opportunity to review and discuss the outcomes of the recent Year 11 mock examinations. These results offer a clear indication of current performance and progress across all subjects.

During the evening, subject teachers will share detailed feedback on your child's attainment, focusing on the following measures:

- Minimum Expected Grade (MEG)
- Current performance from the mock examinations
- Predicted final grades

These discussions will help celebrate areas of strength and identify where additional focus or support may be beneficial to ensure your child continues to make strong progress throughout the academic year.

Appointments can be booked via School Cloud, our online booking system, which allows you to choose convenient times to meet with your child's subject teachers. We encourage you to book early to secure your preferred times. Please visit:
https://djanoglycity.schoolcloud.co.uk

If you experience any difficulty accessing School Cloud, please contact our main reception on 0115 942 1300 and a member of staff will be happy to assist you.

Your ongoing support and engagement are vital in helping your child achieve their full potential. We look forward to welcoming you and discussing your child's recent progress.

Yours sincerely,

Mr Cumberlidge
Assistant Principal

Mr Arnold
Year 11 Achievement Lead
