

Djanogly City Academy

NOTTINGHAM FOREST COMMUNITY TRUST

POST-16 COMMUNITY FOOTBALL ACADEMY

BTEC LEVEL 3 EXTENDED DIPLOMA IN SPORTS

The BTEC Level 3 Extended Diploma in Sport is offered by Djanogly City Academy in collaboration with Nottingham Forest Community Trust.

This course can equip you for a number of careers including teaching, sports management, coaching, physiotherapy, sports psychologist, media, business, and dietetics. It is also widely accepted as an entry qualification to most professions as well as to Higher Education Courses.

Studies will be completed with Djanogly City Academy and, in addition, students will be able to train and represent Nottingham Forest Football Club against other teams across the country.

TRAIN & PLAY LIKE THE PROS

TRAINING

Players will be coached by a high-level coaching team, fully preparing players for their upcoming league fixtures. Sessions will look to work on the technical and tactical aspects of the game, improving players' ability levels and game understanding in the process. In addition, there will be a sports science/strength and conditioning aspect of the training schedule to improve the physical conditioning of the players.

MATCH DAY EXPERIENCES

CEFA League and cup fixtures will be scheduled weekly as part of the programme with Nottingham Academy and Nottingham Forest Community Trust. There will also be opportunities to play fixtures at club/academy training grounds. In addition to a fixture programme, there is an agreement between the clubs to offer a ground tour around their respective 1st team stadiums. Transport is provided for players for away fixtures.

WEAR YOUR KIT WITH PRIDE

SPORT PLACEMENTS

During your studies with Djanogly City Academy and Nottingham Forest Community Trust, you will access hands on work experience in sport.

These experiences will include:

- Coaching (Schools, Football Development, Social Inclusion, Disability)
- Project Management
- Event Management
- Sports Development

The hours gained working on these projects will give students valuable practical experience with the intention to provide students with the opportunity to develop vocational skills required of individuals within the sports industry.

Students will be actively enhancing their Curriculum Vitae and improving their employability skills, preparing them for the workplace upon completion of their studies.

Employers (including ourselves) recognise these placements as valuable practice and are desirable factors when looking for coaches.

THE FOREST SPORTS ZONE

The £1.8M Forest Sports Zone (FSZ) is our very own football and multi-sports facility, which includes a full-size 3G pitch, a sand-based pitch, and a multi-use games area for a range of different sporting activities.

The Forest Sports Zone is at the heart of Nottingham is the most utilised community sports venue in the world!

The FSZ will be the venue for training and home matches for our students who wish to represent Nottingham Forest Football Club against other teams across the country.

Next steps...

UNDERGRADUATE DEGREE COURSES

Many of our BTEC students go on to university to study a range of sport related courses. Employment opportunities in football and the wider sports industry are also potential pathways for students following their Level 3 BTEC Extended Diploma.

Nottingham Forest Community Trust have undergraduate degree programmes that are delivered in partnership with the University of South Wales.

The Foundation Degree in Community Football Coaching and Development is a two-year programme that will develop your understanding around engagement of children and young people in sport, social inclusion theory and sports management. At the end of the two-year programme and having achieved your UEFA C Licence, there will be an opportunity to study for an additional year and convert your Foundation Degree into a BSc (Hons) degree.
