Quick Start Guide

How do you get it?

When your school has informed you that you have been registered with GCSEPod, you need to confirm some personal details so that you can access the site:

1) Go to www.gcsepod.com and click "Login"
2) Click "New To GCSEPod? Get Started!" and select "Student"
3) Enter your name, date of birth and type in the name of your school. The school's name should appear in the dropdown. Click to confirm.

**If you're having trouble finding your school, double check that you've entered the correct date of birth and full name as it appears on the school's register. Some schools are known by a shorter version of their name so make sure you're typing the full, official school name.*
